

RECALLED DECERTIFIED LOTS

In cooperation with repairers, insurers, distributors, and part manufacturers, CAPA continuously monitors and reviews the quality of parts certified to meet or exceed CAPA standards. The following list includes parts that no longer meet the CAPA standards to which they were originally certified and therefore the following parts have been decertified. CAPA would like to thank you for your support in reporting non-compliance variations regardless of the significance. your assistance assures repairers and consumers they can continue to expect quality collision replacement parts when they see the CAPA seal.

Part lots are expressed in dates. Distributors holding decertified CAPA parts are entitled to a refund, replacement part or credit from the applicable Participant. They can receive one of the above (the Participant decides which) by cutting out the section of the part (a coupon) bearing the CAPA Quality Seal and submitting the coupon(s) to CAPA Headquarters with a completed Recall Reimbursement Form within ninety (90) days of public notice of decertification to CAPA at Recall Report 1000 Vermont Avenue, N.W., Suite 1010, Washington, D.C. 20005 or FAX (202) 737-2214.
