DECERTIFICATIONS

In cooperation with repairers, insurers, distributors, and part manufacturers, CAPA continuously monitors and reviews the quality of parts certified to meet or exceed CAPA standards. The following list includes parts that no longer meet the CAPA standards to which they were originally certified and therefore the following parts have been decertified. CAPA would like to thank you for your support in reporting non-compliance variations regardless of the significance. Your assistance assures repairers and consumers they can continue to expect quality collision replacement parts when they see the CAPA seal.
