</table>

## Manufacturer

Y.C.C. Parts Manufacturing Co., Ltd.

## Number of Units

296

## Lot Numbers

08/17A, 11/17A, 05/18A, 12/18A

## Potential Hazard

The manufacturer has made unauthorized changes, including, but not limited to alterations to the attachment method for the brackets that retains ADAS sensors. These changes are not comparable to those utilized by the OEM and may not perform in a comparable manner, potentially impacting the functionality of the ADAS system, and which poses a potential safety-related issue.

## Sold By

Distributors of aftermarket parts.

## What To Do

Installers of the part may contact the distributor who sold the part for advisement. Distributors holding parts may contact Y.C.C. directly.
